DOGS
for the **DEAF**

Good Luck Sams
c/o Barbara Volkman, Treasurer
3442 Amador Circle
Colorado Springs, CO 80918-2310

Dear Barbara,

Good Sam chapters all across the nation are helping to make lives better for people like Christina of Tennessee. She began to lose her hearing while serving close to the guns and planes on an aircraft carrier and it continues to deteriorate. Diesel, picked up as a stray, now helps Christina feel more at ease with what's going on around her, especially when her husband travels for his job.

Thank you! Your chapter's gift of \$500.00 received on 05/09/2015, allows us to rescue and teach dogs like Diesel to lend a helping paw to people facing daily challenges with disabilities.

In order to send you the correct number of patches as a token of our appreciation, we need to know the total number of members that you have. You can email Kimberly Miller at: Kimberly@dogsforthe deaf.org or, call her at the below number.

Together, we are a winning team and truly make miracles happen! Below are some recent photos of Diesel and Christina that we are very proud of:
