Dear Janet,

Thank you! The Good Luck Sams' donation made it possible for Dogs for Better Lives to rescue Pringles in California, train him in Oregon, and place him in North Carolina.

Even when the Hearing Assistance Dog is not officially on duty, he is still working. One Saturday morning, Sheryl was mowing the lawn and Pringles was inside a sunroom behind two closed doors.

After a few passes with the lawnmower, Sheryl noticed Pringles was acting very excited. "He was almost dancing, and I thought to myself, he only does that when the phone is ringing. I stopped the mower and reached into my back pocket for my phone. It was, in fact, ringing."

We can offer this kind of assistance because of your club's gift of \$500.00, received on November 29, 2021. Thank you for helping us train dogs like Pringles for people like Sheryl!

Gratefully,

Bryan Williams
Chief Executive Officer
