Old Business: Need Volunteers to sign up for the Beer Dock - May 27th we had \$297.00 in tips and \$2,627.00 in sales. June 10th we had \$112.00 in tips and \$1,289.00 in sales. Rick Smith has requested they overstock the beer because we can sell it.

No need to check in at the front booth to the fairgrounds. Just advise you work with El Paso County Fair - Rick Smith will be getting badges from Teresa Odell indicating who we are.

New Business: *Need Volunteers to get with Carolyn Hall as to when you are available to work in the Beer Garden during the fair. Rick Smith advised if you are working during the fair and are asked to take a break, please do so as that usually indicates there are too many people in the beer garden.

Rick Smith has asked to withdraw \$5,000 in order to get \$3,000 (\$1's) and \$2,000 (\$5's) so we can make change when needed at the fair, Afterward the money will be redeposited into our account.

Wagon Master Report: July Fair Time, first Saturday & first Friday and last Saturday are the busiest. In addition to being the busiest nights Carolyn Hall is requesting that whoever is the first one to run the register, to please count all the money in the bag prior to start and place the amount on the sign-up

sheet and initial next to the amount. This is to protect Good Luck Sam's should something come up (we have yet to have a problem, but feels we need to cover ourselves).

Tuesday is Senior Day. August Hosts are Smith & Brodeur (Worbington to fill in possibly). Rick Smith advised they are planning on having dinner in Salida on Saturday night if possible.

WagonMaster advised that Good Luck Sams Club is in its 45th year and it was suggested we come up with something (shirts, jackets, etc) to celebrate this milestone.

Communications: Harry Volkman anointed that there will be NO credit cards at the beer dock this year. Ardith Schade announced the Door Prizes would be given out at Dinner.
