Old Business

Website Update was given by Rick Smith. The current service would go up to \$75 per month in April. We reduced the monthly cost to \$60 per month by decreasing the number of participants to 100 and when we renew, we will get a 15% discount by committing to a 2-year contract, thus saving us \$216.00 over two years with a total cost of \$1224.00. Barb Volkmann made a motion to go with a 2-year contract and Carolyn Hall seconded. Motion approved by all.

Changes to MOU with the El Paso County Fair Board were discussed. The beer dock will close at 9 p.m as well as all of the other events. Only 4 side events were approved by our club.

There is only 1 free RV space left at the FairGrounds for Volunteer Camping with electric.

New Business: Rick requested approval to purchase heater/fan tower combo for beer dock not to exceed \$100. Marti made the motion to purchase the heater. Mel suggested we purchase two heater/fan combo units not to exceed \$200.00. Motion Passed.

Rick went over the Liquor Guidelines for serving alcohol and when not to serve.

Wagonmaster Report: April campout will be at Pueblo North KOA with Harry & Barb Volkmann and Ted & Janice Brewer as the hosts. Once a theme is determined that will be emailed out to all. In May the campout is at MountainDale RV Park and the theme will be Mexican. Farris Issacson will be calling to let everyone know what to bring in May.
