Treasurer's Report: A report on the current balances and status of refunds was given. Carolyn Hall motioned to approved the report as given and Ed Thomas seconded. Motion Passed.

Old Business

There is only one space left with full service at the El Paso Fairgrounds.

The racing season is underway and we still need volunteers to sign up for the Beer Dock. The second race was cancelled but the third race we made \$124 in tips and sales where over \$1,200. The heaters were appreciated by those working the race. We will ask the Fair Board to stock the cooler with more produce as all the beer was sold out. Additionally, we were reminded that there is "No Drinking" by the volunteers before or while working in the beer dock.

There was continued discussion about adding Eastern Plains Community Pantry in Calhan to our list of charities. It was reported that Care and Share does support the Pantry with food but all the other items are donated by the public. Care and Share however does not contribute to the maintenance and upkeep of the facility. There is a need for new tile in the bathrooms which is estimated to cost around \$2,000. A motion was made by Barb and seconded by Roland to not add this organization to our list of charities but to use our general funds to make a donate to cover the cost of the flooring. Motion passed.

Wagon Master Report:

Thank you to the Traftons and Issacson for hosting our May camp-out.
